

Changes name to:

And will be transferred to CoOper8 AS from 1<sup>st</sup> of April 2026

---

**Dear users,**

We would like to inform you that starting **April**, all Project Control Management services (formerly known as ILAP):

- **Schedex**
- **Schedule Analytics**

will transition to **CoOper8 AS (org.nr 937 324 448)**.

As part of this transition, you will gradually notice updates to the visual presentation of our products within the services themselves and across related marketing materials. These changes are aimed at reflecting our new identity and continued development.

Please be assured that **your current contacts and the level of service you are accustomed to will remain unchanged**. Our team, processes, and commitment to supporting your operations will continue as before.

## **About CoOper8:**

CoOper8 is owned by the majority of energy operators on the Norwegian Continental Shelf.

The company will deliver shared digital services that connect players and systems across the energy industry. Our portfolio across material management and exchange of plan data has the potential to realize significant efficiency and productivity gains for our owners and customers.

CoOper8 will enable seamless collaboration across operators and partners, reduce duplication and inefficiency in digital solutions, deliver reliable, modern services that can be trusted in daily operations and unlock measurable value.
